# **About MRIIRS**

Manav Rachna International Institute of Research and Studies (MRIIRS, formerly MRIU- a NAAC Accredited 'A' Grade Institution), 'Deemed-to be-University' under Section 3 of the UGC Act 1956, offers programs from Graduate to Doctoral level that are in tune with the market dynamics. The Institution has been conferred with 5 Star rating for Teaching, Facilities, Social Responsibility and Inclusiveness by QS Rating System. It has also rated Manav Rachna International Institute of Research and Studies (MRIIRS) across two categories: Engineering (rank 174) and University (Rank band 151-200).

# **About Department of Physiotherapy**

Department of Physiotherapy caters to the curative and rehabilitation needs of the people and thus, offers Bachelor, Master and Doctorate Physiotherapy courses which are based on research-informed teaching giving ample opportunities to students. The department runs specialized OPDs in the form of Cerebral Palsy Clinic, Stroke Clinic, Geriatric Clinic, and Sports Injury Clinic.

### **About Department of Nutrition & Dietetics**

Nutritionists and dietitians study how diet affects both the person and the nation's health, as well as how diet can be used to treat disease. This programme teaches students how to apply nutritional science to prevent and cure disease. As a dietitian, they consult with individuals to assist them in making dietary changes by providing practical guidance. It is a health-related profession that entails translating nutrition and food sciences in order to promote good health.

### About the conference

This conference is primarily aimed for bringing together International and National scholars as eminent speakers from the field of sports federations to illuminate our trivial knowledge on Recent Advances & Challenges in Sports Rehabilitation. The three-day conference program has been carefully structured to encourage mutual inspiration and fruitful debate among researchers. The first day will be centered on three distinguished keynote speakers and in-depth discussions of presentations and thereafter the conference would go as per the scheduled programs in brochure. This conference would provide a high-level opportunity for students, researchers, practitioners and academicians to present, listen and discuss the latest advances and trends in sports rehabilitation in the domain of Sports Medicine, sports rehabilitation, physiotherapy, Aging and Exercise Physiology, Women health and Nutrition in sports, biomechanical corrections on field and sports in COVID scenario.
